

At Wildwood Canyon Villa Memory Gardens, We Provide:

- 24-hour personal care and medication management services
- Professional nursing support and health monitoring
- Coordination of care with resident's family, personal physician and other ancillary health care providers
- Family-style dining
- Housekeeping and laundry service
- Visual cues and themes to stimulate memory
- Programs designed to enhance self-esteem and bring a renewed sense of belonging and companionship
- Experienced staff with specialized skills in behavioral support and modification
- A healthy staff-to-resident ratio, there when they're needed, who genuinely enjoy connecting with residents (don't take our word for it; ask about our resident satisfaction survey results!)
- Social and recreational opportunities like rejuvenating walking clubs, cooking, crafting, sing-a-longs, trivia and puzzle power games, and other brain fitness activities

It's our **compassion, understanding,**
and **philosophy** of care that sets us apart.
